

MODEL CRU

Straight horizontal or inclined screw conveyor with a U shaped sheet metal frame

CRU
HORIZONTAL

CRU
INCLINED

D ∅	C	R	A	B	L	H	F	incl. α
120	140	185	by request	by request	by request	by request	by request	by request
150	170	195						
180	200	220						
200	220	250						
250	270	290						
300	320	330						
350	375	382						
400	425	437						

Data necessary for technical evaluation:

- Type and morphology of material to be transported
- Quantity of material to be transported

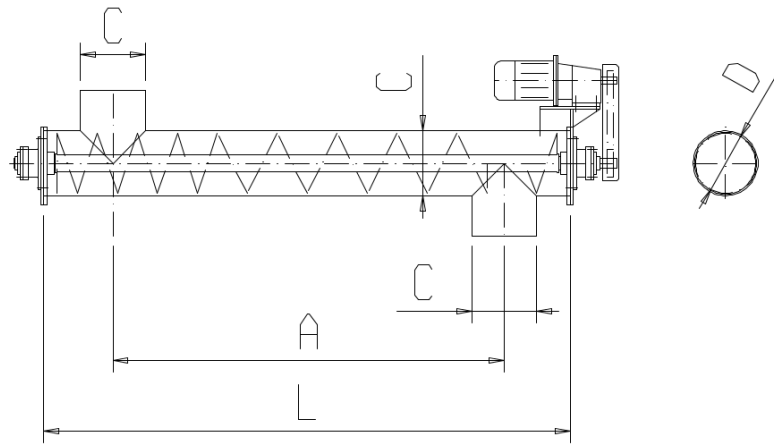

-Dimensions (in design)

Diagram of the screw with U-shaped channel type CRU
The dimensions in mm indicated in the table, the lengths and the possible inclination are defined on the basis of customer requirements

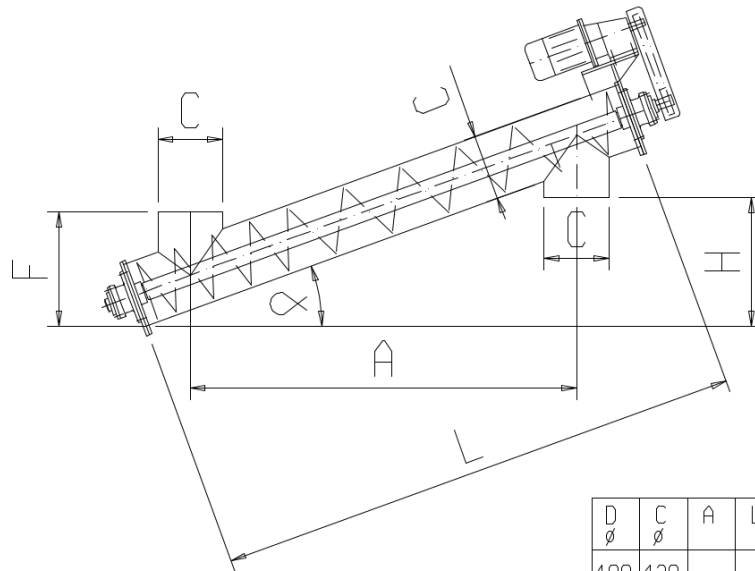

CRP MODEL

Straight horizontal or inclined screw conveyor with tubular frame

CRP
HORIZONTAL

CRP
INCLINED

D ø	C ø	A	L	H	F	incl. α
100	120
